### DANIELSON

Captain Francis B. Shaw of the Windham County National bank and Mrs. Shaw were at Hartford to attend a banquet of the Hartford chapter of the American Bankers' Institute at the Hotel Bond.

Wednesday morning at the home of the bride's parents, Mr. and Mrs. Charles L. Keegan, of Elmville road, Miss Gwendolyn Verna Keegan and Dr. Dugald Williams Clark were united in marriage by Rev. M. S. Stocking, pastor of the Danielson Methodist Episcopal church. Only members of the two families were in attendance.

Miss Margaret Tall, of Bridgeport, Mass., daughter of Mr. and Mrs. D. Wendell Tall, was bridesmaid, and Gordon W. Keegan, brother of the bride, was best man.

The bride wore a traveling suit of navy blue and carried an army bouquet of white roses. Misses of the valley and white sweet peas.

The bridesmaid wore a gown of navy blue with a white collar and cuffs. Her bouquet was of orchid sweet peas.

The wedding was in the living room of the home which was decorated with flowers.

Following the ceremony, the wedding party motored to Putnam, where a luncheon was served for them at the hotel. The table decorations being especially arranged for the occasion. At 1:30 Mr. and Mrs. Clark left for Putnam for their wedding trip.

Miss Keegan is one of the best known of Danielson's young people. Until December she had been with the Connecticut State highway department as secretary to one of the officials. She has been a prominent member of the Putnam club and also served in the officers.

Dr. Clark is a son of Mr. and Mrs. George Clark of Ansonia and came here on the occasion of Dr. W. M. Keegan's death. He is an excellent man and during his residence in Danielson has made a great many friends.

Mr. and Mrs. Clark are expected to return from their wedding trip during the early part of the coming week and to occupy apartments that have been made ready for them at the Putnam hotel. When the Clark family is located there, the Clark family is located there.

There is great interest among Y. M. C. A. members throughout this territory in the announcement that it has been decided to hold a conference at Putnam, Conn., on the 25th and 26th of March. This conference will be held at the Putnam hotel and will be attended by representatives of the Y. M. C. A. of the entire New England territory. The purpose of the conference is to discuss the work of the Y. M. C. A. in the coming year and to plan for the future.

Wednesday afternoon the funeral of Mrs. Laura Stone Pitt was held at the home of her son, W. K. Pitt, with services at the Congregational church at 1:30. Rev. Walter B. Williams officiating. Burial was in the Putnam cemetery. The bereaved were Mrs. Pitt, Mrs. W. K. Pitt, and two daughters, A. O. Mowry and J. E. Mowry, of Oneco. Burial was in the family lot in the South Killingly cemetery. A. F. Wood was the funeral director.

State highway surfaces have crumpled up and have been getting bad usage since the weather turned warmer and thawing. In a few days ago, on most of the main routes throughout the state, there are rut holes deep in places, while other parts of the state highways are standing up well under present trying conditions. Motorists who do night driving and are not familiar with the condition of the highways hereabout would show discretion in very careful operation, for hitting one of the rough places at high speed is no pleasant experience.

There was a promise here Wednesday of sharp weather being sent to the state and game commission in case serious consideration is given the rumor plan to have William P. Robbins of East Killingly appointed county game warden. The appointment is based on the fact that he recently served five well known citizens of the town to appear in the town court to answer to a charge of having taken short picks contrary to the law.

### PUTNAM

Federal and state officers conducted a raid in North Grovesville Wednesday morning. The officers arrested Samuel Niet and ordered him to appear before U. S. Commissioner Mathewson at Norwich Friday. The officers seized two and a half gallons of moonshine, a liquid which, on account of its powerful kick, has become otherwise known as "Whit. Mule." A small quantity of liquor was also said to have been seized at another place but this has not been confirmed as yet.

Promoter Jake Albert said Wednesday morning that he is making up his car for a boxing exhibition to be staged at the evening of St. Patrick's day. Gene Ferrier, a lightweight with a considerable reputation in Rhode Island has agreed to go on in the final if a good boy can be secured to go against him. Ferrier is a Woonsocket lad and has been giving an excellent account of himself. It is hoped it will match him with George Renier of Hartford.

The common council held a meeting Tuesday evening for the purpose of making all of the accused, upon trial before Judge W. F. Woodward in the town court, were adjudged not guilty. The affair caused widespread comment at the time, as it was clearly shown in court that the men brought in had no intention of violating the law and established that they did not do so.

While a number of flags were to be sent to Washington's birthday, it was remarked by numbers of persons that there might have been many more had all who possess them sent them just a little. It is no honor to the father of the country, William P. Perkins, who has been ill at his home this week, was reported Wednesday as recovering.

Miss Katherine D. Ayward is in Hartford today and Friday attending a meeting of chief operators and officials of the S. N. E. Telephone company.

Schools were closed throughout the town of Killingly Wednesday in observance of Washington's birthday.

That the local public is interested in the progress of the Service battery of the 12th field artillery was attested by the large number who gathered at the state armory to watch the inspection of the battery.

Mrs. Charles T. Thayer and son of Putnam were visitors Wednesday with relatives in Danielson.

Many members of the Epworth Circuit sang representing towns hereabouts will be at the Methodist church on Friday evening to attend the annual banquet of the organization.

About half a hundred members of the Putnam club gathered for their social party at St. John's hall Wednesday evening.

Robert Mott, who was taken to St. Vincent's hospital at Worcester Sunday, has undergone an operation for appendicitis and on Wednesday was reported as doing well.

Only five more days for driving under the present issue of motor vehicle operators' licenses.

Contractors who have the Rhode Island end of the Providence-Danielson trunk line to complete will rush the work from the first opportunity of getting at it in the spring. It is expected that the entire route to Providence will be opened and completed by early October.

Joseph Mart, who recently underwent a surgical operation at Grace hospital, New Haven, is reported so far advanced on the road to recovery as to be nearly ready to leave the hospital.

Reading, orchestral and vocal music will be featured of an entertainment arranged by the social planning committee at the Congregational church this (Thursday) evening.

Concert music being played at Detroit, at Pittsburgh and at Newark was picked up at different prices on a recent evening by Harold B. Atwood who is among those who have recently installed wireless telephones in their homes in this territory. Mr. Atwood has had splendid success with his set, getting in touch not only with the points mentioned but also with many other places near to Danielson.

Most crews of the state entomological commission, consisting out of Danielson are continuing their winter activities of scouting for infestations.

Plans have been perfected by the directors of the Putnam chamber of commerce for a big membership meeting to be held next Wednesday evening in Odd Fellows' hall. Four past presidents of the Olneyville, R. I. chamber of commerce will be the speakers. They are: Robert J. Appleton, president; William Rinsch, financial secretary; Joseph W. Mills, recording secretary and William Hughes, also a member of the city council of Providence.

The Olneyville association is one of the most successful and active bodies among the smaller cities of New England. The four speakers have been instrumental in making the association a real force in the community. They are successful business men and boosters and they will attempt to instill some of their enthusiasm into the members of the Putnam chamber of commerce.

Cargill Council, K. of C., has a class of fifteen candidates ready to take the third degree at next Sunday's meeting.

W. H. Holmes of Mount Vernon, N. Y., who has been the guest of her mother, Mrs. A. W. MacDonald, on Oak Hill, left Wednesday morning for a short visit with relatives in Danielson.

## QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel. Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No griping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth"—bad breath—a dull, tired feeling—sick headache—torpid liver—constipation, you'll find quick, sure and pleasant results from one or two of Dr. Edwards' Olive Tablets at bedtime.

Thousands take them every night just to keep right. Try them. 15c and 30c.
